

Retention and Graduation Rates by Cohorts: Fall 2009

Average for Full-Time and Part-Time Loads

Retention Rates Cohorts selected from undergraduate, first-time Bachelor students in full-time and part-time loads enrolled in Fall 2009 Semester. Transfer and readmitted students are not included. Graduation Rates calculated according to the Student-Right-to-Know graduation rate calculation provided by the IPEDS database.

Academic Units	Retention Rate*	Graduation Rate**
Bayamón	75%	23%
Carolina	72%	25%
Vega Baja	60%	16%
Ponce	61%	15%
Institutional	67%	20%

* First-time bachelor's students in full and part time cohorts.

** Four-year average Student-Right-to-Know completion or graduation rate calculation.
